Sandra,

Thank you for your email and hope all is well with you. ORS does intend to file the results of its Impact Study in this docket; we are currently still evaluating the request with our Transportation Department and our letter will be filed once that evaluation is complete. Thank you for your patience and the follow-up.

Dear Lessie/Nicole,

I hope you all are doing well. I just wanted to see if ORS intends to file the results of its Impact Study in this matter. I believe it is scheduled to come up at one of the next business meetings. Thanks in advance for your help with this.
